

Making the transition To Explorer Scouts

The adventure need not end at 14!

You have had a great adventure in scouts but it need not end, join your local Explorer Scout Unit to continue the adventure. There are 7 Explorer Scout Units in Oxford all ready to take your scouting experiences to the next level! Are you up for it?

Being an Explorer you will work towards achieving the coveted Queens Scout Award and Gold Duke of Edinburgh award as well as the opportunity to achieving other badges and Awards. Our adventures are not limited to this country either! During your time as an Explorer you will have opportunities to expand your adventures overseas for example our future expeditions include: Iceland, France, Switzerland, Ireland.

Your experience as an Explorer will also help you to develop a whole range of important skills that higher education establishments and employers are looking for, for example: leadership, team work, media training, first aid, working with young people, communication skills.

Young Leaders	Flexible volunteering Register your details: http://tinyurl.com/spiresYL	Jackie Leuesby yl@oxfordspires.org.uk

Flexible scouting: We fully understand that you probably have many commitments outside of scouting as well as pressures from school. We would like you to attend every week but we are flexible!

Join in when you can, just talk to your local leaders about flexible scouting.
